Overview of ADA Service:

This service compliments the Merrimack Valley Regional Transit Authority's (MVRTA) fixed bus route system and is a curb-to-curb shared ride service.

It is provided to those persons with disabilities that meet the definition of eligibility as established under the Americans with Disabilities Act (ADA). This definition relates to the physical or cognitive impairments that prevent use of the MVRTA's fixed route bus system. For more information on the fixed route bus system, please see the back panel of this brochure. All participants must be certified through the MVRTA Office of Special Services.

This service is only available within the 3/4 mile corridor on each side of an MVRTA fixed bus route. The MVRTA fixed bus route system operates in Amesbury, Andover, Haverhill, Lawrence, Merrimac, Methuen, Newburyport and North Andover.

Service is provided with MVRTA lift-equipped vehicles and is intended to safely and efficiently accommodate as many customers per trip as possible.

This customer manual will detail policies that will help you and the other EZ Trans customers receive the best possible service. Please follow these policies to avoid any service disruptions to you and other EZ Trans customers.
